**Collective Worship Summer A: Hope**

A daily act of collective worship is to be led each day in each class. There are options and links on the following pages for you to use with your classes over the coming half term. Use of reflective journals or thinking time can be used as an act of worship and there must be a moment of prayer – either spoken or silent to suit the theme, age of children and time of day. Children can be involved in leading worship. Songs can be listened to but not sung (yet!). Music can be used to enhance the stillness of reflection.

The first step on our journey is to think about how we can show courage, even when we are not sure what is ahead. When we can't quite see the way ahead, we need courage!          Bible reference: Deuteronomy 31:6 "Be strong and courageous. Do not be afraid or terrified because of them, for the LORD your God goes with you; he will never leave you nor forsake you."  <b>Reflection activity focus: Writing prayers to ask for courage (Activity 14 in Bishop Bridgeman book) or making a 'courage bag' for someone in your house or local community. It could include: a treat, teabag or favourite drink, poem or a quote that inspires courage.</b></p>

W/C 24 <sup>th</sup> May 2021	<p><u>Hope</u>          One of the ways that we can be fake is by pretending that we're something that we're not. We do this because we want to be liked. We want the children to know that being 'Fake is a Mistake!' because the real them is better than anyone or anything that they</p>															

might pretend to be. We are all so special and precious to God. We want them to enjoy who they are and to be true to themselves and others.
