SIAMS Inspection Report

Dear Parents and Carers,

I am delighted to be able to share our SIAMS inspection report. We are 'OUTSTANDING' in our effectiveness and distinctiveness as a Church of England school. There is much to celebrate in the report and everyone has worked extremely hard to ensure that children at Capenhurst are supported and nurtured within a Christian environment. It is pleasing to read this clearly within the report:

'The warm welcome and loving care given to every child, regardless of their background is exceptional.'

As a voluntary controlled rather than voluntary aided school, our RE teaching and provision is not inspected separately but we are immensely proud of the RE teaching that takes place in school and wanted Mr Graham to see this for himself. As a result he noted that:

'RE makes an outstanding contribution to the spiritual development of the children and to the Christian character of the school.'

There are many other positive comments that I'm sure you will enjoy reading and agree that this report identifies the many strengths of our school. The staff have worked tirelessly to continue to provide a school that every family feels supports and inspires their child to enjoy being here and learning.

'Success has been achieved through exemplary teamwork, with every member of staff living out Christian values to guide, support and inspire the children'

The staff and governors are appreciative of the support from our parent community and thank everyone for their positive comments – some of which are included in the report. This report has been a combined effort by everyone in building a school where every child is known, respected and valued.

I would like to thank the parents and wider school community for their continuing trust and support in making Capenhurst a school where every child can succeed within a caring, Christian environment.

Yours sincerely,

Mrs Claire Green
