

Capenhurst CE Primary School – Sport Premium Funding Statement 2020/21

Funds allocated to school: £16520 (based on 52 pupils in years 1 to 6)

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> <li>School maintained involvement in the local school sports partnership and, with their support, achieved the Bronze Sports Award</li> <li>School entered a Dance festival with junior pupils from an after-school club rather than timetabled lesson as previously.</li> <li>Range of sport activities on offer continues to be broad based within the restrictions of small staff and available space</li> <li>Established the culture of daily stroll across school</li> <li>School took part in Basketball sessions with the local basketball team and received a family season ticket which has been enjoyed by a range of families in school</li> <li>School now has a family season ticket for Chester City Football Club that families enjoy regularly.</li> </ul>	<ul style="list-style-type: none"> <li>Further increase pupil participation in competitions, interschool and intra sport and events.</li> <li>Improve resources to support PE, including transport and equipment.</li> </ul>

Meeting national curriculum requirements for swimming and water safety (cohort of 13 pupils, each pupil represents 7.7%)	
Percentage of current year 6 cohort who swim competently, confidently and proficiently over a distance of at least 25 metres.	100%
Percentage of current year 6 cohort who use a range of strokes efficiently (e.g., front crawl, backstroke, breaststroke).	100%
Percentage of current year 6 cohort who can perform safe self-rescue in different water-based situations.	100%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be over and above the national curriculum requirements. Have	

Key Indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

Intended focus (impact on pupils)	Actions	Funding allocated	Evidence/Impact	Sustainability/Next steps
Children will be engaged in physical activity for 30 minutes per day	All children will have 2 PE lessons per week of at least 40 minutes. All children will take part in a daily stroll of 15 minutes in length.	£6840 for PE teacher	Children will be seen to be active for at least 30 minutes per day.	All staff are aware of the need for daily activity and recognise the benefits that physical activity brought to children during lockdown.

	All children will be encouraged to be active in their play during morning (15 minutes) break and lunch (40 minutes) break. Sports teacher will run a lunchtime club with specific children targeted for participation as well as those who already take part.			The school timetable has been reviewed to ensure that each day starts with some physical activity to awaken the mind and body with sessions of calmer activities such as yoga to help soothe and relax. Children will continue to receive 2 quality PE sessions each week; one led by a qualified sports coach.
Children will be encouraged to engage in physical activity as part of their learning	Children will have daily access to outdoor physical play using a range of new playground equipment for large and small scale play.	£200 for play equipment	Children will be seen using the area every day (weather permitting)	Surface is guaranteed to last for a number of years so that play can continue safely for that time. Toys are of a standard that they will last the academic year.

Key indicator 2: The profile of PE and sport being raised across the school as a tool for whole school improvement

Intended focus (impact on pupils)	Actions	Funding allocated	Evidence/Impact	Sustainability/Next steps
Maths of the day activities will engage pupils who may see maths as a more challenging subject through the inclusion of physical activity within the session.	Each class will participate in at least 1 maths of the day activity per week. Homework will be set using maths of the day at least once per half term.	£395.00	Attainment in maths is raised as a result of engagement through maths of the day activities.	This was started but needs to be continued in order to have the fullest impact.

Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Intended focus (impact on pupils)	Actions	Funding allocated	Evidence/Impact	Sustainability/Next steps
Pupils will be taught by staff with raised levels of training and expertise across a range of PE skills.	Staff to attend training as part of the schools' sports partnership. Staff will shadow 1 lesson per half term with premier sports teacher in school	Partnership fee - £1000.00 Supply for teacher observation - £1200	Pupils will be taught by staff with raised levels of training and expertise across a range of PE skills.	This was successful in a small way but needs to continue to further increase skill level within staff. This was not accessed to its full potential. A new PE lead has been identified and it is intended that

				they will drive more active involvement in staff training.

Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils

Intended focus (impact on pupils)	Actions	Funding allocated	Evidence/Impact	Sustainability/Next steps
School will access sports through the schools' sports partnership membership.	Headteacher to meet with schools' sport partner – Mark Poole and discuss the requirements of the Bronze criteria School to sign up to the sports partnership	£1000.00 Partnership fee	Children will access a wider range of sports	School secured the Bronze Sports Award and felt well supported during the lockdown by the SSGO. Membership to continue to further enhance provision. School will take part in County Pathway Winter School Games Sports which is led by the SSGO.
Children will take part in a programme designed to help them understand how to lead healthy lifestyles.	Set up the FunTriton programme for all pupils across school. Make sure space is made available for the sessions.	£540.00 for FunTriton	Children will better understand what it is to lead a healthy life	Review indicated that children had an improved understanding of how to best fuel their body and which foods to avoid. Children will now access the next level of the programme to further develop their understanding. This is to be continued and remain a consistent part of the wider school curriculum.
Children will have access to a range of high quality sports equipment during their time at school.	PE teacher to audit and review current PE equipment and identify areas that need improving and replenishing. Equipment is purchased and children are taught how to use it safely.	£2000/3000 depending on the outcome of the audit. Storage facility for equipment also needs reviewing – cost unknown	Children will access a wider range of sports and quality equipment for the participation in these sports.	Review impact of new equipment. If gaps in provision are identified, then actions are to be put in place to address these. This has remained a priority as a result of lockdown due to Covid19.

Key Indicator 5: Increased participation in competitive sport

Intended focus (impact on pupils)	Actions	Funding allocated	Evidence/Impact	Sustainability/Next steps
-----------------------------------	---------	-------------------	-----------------	---------------------------

<p>Children across will take part in 2 or 3 competitive events during the year.</p>	<p>As a member of the schools' sports partnership, school will have access to more competitive events.</p>	<p>Partnership fee - £1000.00</p>	<p>Children across will take part in 2 or 3 competitive events during the year.</p>	<p>This needs to continue to increase participation in competitive events. Sports day has been scheduled already to fall in School Sports Week so that children can access the range of events on offer by the partnership that week – this was adapted during lockdown and turned into a virtual challenge with a member of staff leading each challenge. Children shared their achievements by email and certificates were awarded for participation.</p> <p>This has remained as a result of lockdown due to Covid19. School will take in virtual competitions such as County Pathway Winter School Games Sports.</p>
---	--	-----------------------------------	---	--

Total spend: £13715+additional equipment and storage costs that are as yet unknown.
