

100 Club Application

The 100 club is a monthly draw to raise money for Capenhurst CE Primary School. Once a month, in sharing assembly, a pupil will draw a number and the lucky winner wins half the takings for that month, and the PTA gives the rest to the school. There are 12 draws per year.

The cost is £12 per year per number (ie £1 per draw), and the more people who take a number the bigger your prize will be!

If you would like 1 (or even a few) numbers, then please reply with the name of the person who wants a number (over 16 years only please) and any lucky numbers you might like (from 1-100 obviously!). First come first served on the lucky numbers, or I will assign you a free number. You can have as many numbers as you will like. Please return this form and enclose £12 PER NUMBER to the school office by Friday 10th October.

Pupil Name: _____

Pupil Class: _____

Name and email address	How many numbers?	My lucky numbers are...

Total Cash enclosed (£12 PER NUMBER) _____
